Republic and still had a small sum is deposit, which kept the account open He said that Mr. Stevens proposed He said that Mr. Stevens proposed that they use this account as part of the scheme to manipulate the checks. The plan, as nearly as could be determined, was to deposit checks in banks of Sair Lake and Ogden and keep them going back and fourth until the overdraft could be covered. Hompton said he was instructed by Mr. Stevens to fill out a blank check.

Hampton said he was instructed by Mr. Stevens to fill out a blank check, signed by Manager Tower of the Golden Rule store for \$1500, and deposit it in an Ogden bank as the first step in the scheme. The deposit was made in Hampton's name, he said, in order that an account could be built up for later use in herrowing money.
